

## September Remember (Paperback)

Filesize: 6.85 MB

### ***Reviews***

*A very wonderful pdf with perfect and lucid explanations. This can be for those who statte that there had not been a worth reading. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*(Mr. Stone Kunze)*

## SEPTEMBER REMEMBER (PAPERBACK)

Prospecta Press, United States, 2015. Paperback. Book Condition: New. Reprint. 217 x 140 mm. Language: English . Brand New Book. An alcoholic on awakening is much like a newborn baby fragile and without any defense against a very sober world. September Remember begins with a terrifying and darkly funny blackout the sort of a blackout that pulls you right into the mind of a drunk on the loose. Reading it, I was reminded of my AA friend picking me up in his truck, the uncertainty of that boozy hazy evening. The blackout is not the story of September Remember, but it is that darkness that will suck you into this story. When published, September Remember was a best seller, and the first known novel that put AA into literary consciousness. It has been out of print now for over 60 years. The book is full of language and prejudices that are reflective of its time. That was the time of America between the two world wars: more than twenty years before Martin Luther King's I Have a Dream speech, years before women made it out of the kitchen into the living room, and years before new immigrants were only recognizable by the derogatory terms used to describe them. In that way, September Remember can be treated as a historical document that mentions Alcoholics Anonymous, but it is much more than that: its mythology is essentially AA's, a story of rebirth and redemption.
