Once informed of this circumstance, and possessing no positive proof of the assignation made by Clmence with M. Charles Robert, Sarah conceived a plan evidently more hateful than the former: she resolved to despatch a second anonymous letter to M. dHarville, calculated to bring about a complete rupture between himself and Rodolph; or, failing that, to infuse into the mind of the marquis suspicions so unworthy of his wife and friend as should induce him to forbid Madame dHarville ever admitting the prince into her society. This black and malignant epistle was couched in the following terms: . You have been grossly deceived the other day; your wife, being apprised of your following her, invented a tale of imaginary beneficence; the real purpose of her visit to the Rue du Temple was to fulfil an assignation with an august personage, who has hired a room on the fourth floor in the house situated Rue du Temple, This item ships from La Vergne,TN.
