Language: English Brand New Book ***** Print on Demand *****.Politics, Inc - career politicians have turned politics into a business and the result is not good - excessive partisanship, gridlock and a lack of reasonable solutions to our problems. Here is a recipe from someone who is neither a career politician nor a pundit. It is from someone who has been tested in the real world of the free market, and succeeded. It is written for people who have had enough of career politicians, and who would appreciate the insight that someone...
