Createspace, United States, 2012. Paperback. Book Condition: New. Kyla Jones (illustrator). 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Jenna Cane lived a primarily normal seventeen-year-old life. Her junior year of high school began as usual with boyfriend problems, hanging with friends, and thinking about college plans. That is, until she runs into Caden; the mysterious boy she meets on the Fifth Street Bridge on more than one occasion. Caden suddenly spirals Jenna s world into a whirlwind of magic, friendship, and betrayal when he reveals a talent that lay dormant deep within her-Psychokinesis, or, the ability to manipulate objects without physical means. When Caden and Jenna are caught socializing together by the new guy in school, Micah, Caden warns Jenna of the consequences that may be yet to come. After an unmistakable encounter, Jenna is left threatened and near death. The safety of her friends and family may be in jeopardy until she agrees to go to a place called The Directory which harbors people with abilities similar to her own. Forced through excruciating tests and obstacles, Jenna wants nothing more but to escape with her friends and put a stop to the Directory for good. But, someone might have ulterior plans in mind for Jenna s future that may not be so bright after all. Will Jenna use her abilities for good or be forced to engage them in evil?.
