*The publication is easy in read better to understand. It is written in basic words and phrases rather than hard to understand. You won't truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).*

It is Olivia s birthday, and when she blows out the candles on her cake and makes a wish she gets exactly what she wanted! But the rest of her family can only wait and see what it is she has wished for and the chaos that ensues.First, snow in the summertime. Then, rain - but so much rain the house is flooded. Then, money - so much money that a truck has to deliver it. And finally a new baby - which turns out to be three new babies. Olivia is one of Munsch s great little heroines, in the mould of the Paperbag Princess. Children will easily identify with her and the trouble she unwittingly creates.
