The World Cup is the pinnacle of world football celebration. Every four years, somewhere on the planet, the worlds finest national teams and players fight for the most wanted prize in sports history. The 1958 World Cup was a landmark for Brazil. The South American country presented the world its greatest generation of players. And among them, one young man destined to become the greatest of all-time. That generation marked the birth of the victorious Brazilian football but a few years later, the world of football had become a static one. The game had taken a few steps back on its development during the years leading to the 1966 world Cup, when football returned home. England, the inventors of football, was destined to embark on a journey to take footballs evolution back on track, but that would cost the English team a price. They would have to pay that price with the boldness to innovate and take risks. . . This item ships from La Vergne, TN. Paperback.
