Reviews

*A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

Fashion lives on novelty, and we have on this account much charity for its wanderings and eccentricities. Bonnets, with a snout as long as an elephant's proboscis, or a margin as broad as a bushel measure, are merely ridiculous. Shoulders that look like wings, and sleeves as wide as a petticoat, we think are riot particularly graceful; but they have at least the merit of being airy, and we take no offence. We cannot, however, extend our indulgence to the compressed waist which is the rage at present. We know that as often as the waist is lengthened to its natural limits, this tendency to abridge its diameter appears; and we confess we are puzzled to account for the fact; for surely it is strange, that a permanent prepossession should exist in favour of a mode of dress which is at once ugly, unnatural, and pernicious. Were fashion under the guidance of taste, the principles of drapery in painting and sculpture would never be lost sight of in its changes. The clothes that cover us may be disposed in an infinite variety of forms, without violating those rules which the artist is careful to observe. The true form of the body ought to be disclosed to the eye, without the shape being exhibited in all its minutiae, as in the dress of a harlequin; but in no case should the natural proportions (supposing the figure...
