Master English Grammar in 24 Hours teaches people exactly what they need to know about usage and mechanics - fast. The authors practical approach gives readers a thorough understanding of logical, scholarly expression without forcing them to memorize arbitrary rules or trudge through dense, technical language. With this book, you can: Distinguish yourself with polished writing and speaking Understand difficult rules of usage, even if you re a beginner Easily locate, learn, and review important concepts and guidelines Rapidly improve scores on the grammar portions of the SAT and ACT From the introduction: Why should I study grammar? For one thing, doing so will enhance your ability to communicate. Logical, orderly expressions are, after all, easier to understand than illogical, disorderly ones. In addition, writing grammatically will encourage you to organize your thoughts and carefully consider what you re actually trying to say. That is, understanding grammar improves not only your expressions but also the thinking that underlies them. Another reason: few people will take you or your writing seriously if you make obvious usage mistakes. Poor expression suggests ignorance, carelessness, and shoddy thinking in the same way that rigorous expression suggests knowledgeability, attentiveness, and intelligence. Finally, people assume that sloppy writers will produce substandard work in general. Consider the following: CareerBuilder, which operates the largest employment website in the United States, conducted a nationwide survey of more than 2000 hiring managers. The survey indicates that 61 of employers would automatically dismiss a candidate from consideration because of typos on a resume. In a Harvard Business Review article, CEO Kyle Wiens bluntly explained his willingness to reject qualified job applicants on the basis of grammatical errors, claiming...
