## Nurses in War: Voices from Iraq and Afghanistan (Paperback)

By Elizabeth Scannell-desch, Mary Doherty

Springer Publishing Co Inc, United States, 2012. Paperback. Book Condition: New. New.. 226 x 152 mm. Language: English . Brand New Book. This is no doubt the most significant work on military nursing recorded since Florence Nightingale wrote her Notes on Nursing. You definitely want to have this book for your private bookshelf. --Society of Air Force Nurses (SAFN) Newsletter This book speaks to the strength, skill, professionalism, and determination of US military nurses, clearly identifying them as unsung heroes of the Afghanistan and Iraq wars. Recommended. --Choice: Current Reviews for Academic Libraries Nurses in War embodies the core values of each of the military services and is a personal testament to the integrity, excellence, selflessness, devotion to duty, courage, and commitment that exemplifies military nursing. This book should be in every nurse's personal library. It has a well-deserved place of honor in my own nursing literature collection. Brigadier General Linda J. Stierle (Retired) United States Air Force Thank you to Beth Scannell-Desch and Mary Ellen Doherty for documenting this critical period of nursing history. It is a true classic, deserving a prominent place in your library. Lucille A. Joel, RN, EdD, FAAN Professor, Rutgers College of Nursing Former President, American...
