

All Through the Night: Prayers and Readings from Dusk Till Dawn (Paperback)

By Michael Counsell

CANTERBURY PRESS NORWICH, United Kingdom, 2011.
Paperback. Book Condition: New. 196 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****.Night time signifies many things. Apart from the rest and refreshment that sleep brings, the night is a time for gazing at the stars, dreaming and loving. For some it means keeping vigil as they tend the very young, or the sick. For others, it means working so that others may rest peacefully. For most people, there are occasions when the night brings no relief: when we are worried or afraid, trouble never looms larger than in the early sleepless hours. Yet such times can lead to a richer experience of intercession, meditation and contemplation. These experiences of the night are universal and have inspired poetry, prayers, lullabies, songs and stories down the ages. This wide-ranging collection is the perfect bedside companion and will help soothe us to sleep, dispel night time fears and attune us to the gifts and opportunities that each new day brings.

It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
