By Julian Baggini

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Atheism: A Very Short Introduction, Julian Baggini, Atheism is often considered to be a negative, dark, and pessimistic belief which is characterized by a rejection of values and purpose and a fierce opposition to religion. Atheism: A Very Short Introduction sets out to dispel the myths that surround atheism and show how a life without religious belief can be positive, meaningful, and moral. It also confronts the failure of officially atheist states in the Twentieth Century.
