Xlibris, Corp. Paperback. Book Condition: New. Paperback. 430 pages. Dimensions: 9.0in. x 6.0in. x 1.0in. Revelation The ancient mysteries of the Sacred Secrets This book of Revelations breaks up the spiritual content of Gods spoken word into four sections. The main verse of Revelation is set at the top of each page and placed in its chronological order. One can read the main verse of Revelation printed at the top across the top of the book for a simple understanding of how the prophecy will unfold the second section of each page takes the Revelation verse and translates it back again to English for a more accurate and suitable translation. For example the world slain is a word having two meanings of opposite descriptions. Slain in the fleshly sense is a reference to killing and death of the body; whereas slain in the spiritual sense is a slaying of overcoming and fulfilling of Gods joy and praise. This section corrects and separates the discrepancies that may occur during the reading of the given text verse. The third section gives an account of a confirming verse that gives witness and testimony to the authenticity of the New Testament verses of Revelation. Throughout the Torah, major prophets and the books of the minor prophets, we see Gods scripture breaking off into sections of end time prophecies. Since prophecies are given in sections instead of a complete story-line God instructs us to study to be approved and equipped with understanding to show ourselves worthy. In order to be fully equipped one must have all the details in order to place them in a stance for a full understanding. So this section enhances the testimony of the verses of Revelation. Finally the fourth of each section on each page concludes with an empowerment section. This...
