Brand New Book ***** Print on Demand *****.Rover is the true story of a courageous dog and the family he loved. His adventures and accomplishments as one of the greatest dogs that ever lived are still told by the people that knew him. This book is only part of Rover s life and the many stories told about him. Remarkably intelligent, Old Rover seemed able to read your mind. Rover hunted meat for the family table, worked our cattle, and on many occasions he placed himself between real danger and one of the family. Intelligence, courage, and loyalty were only a few of this great animal s characteristics. He was more than a dog to us; he was part of our family. This book will make you smile, then laugh as you turn the pages of time back sixty years to the good old days. You will enjoy the true stories of a remarkable dog and his family in southern rural Oklahoma.
