Its stores, with scarce an exception, are as new as those of Seattle or Tacoma; its churches have all been built within the memory of men and women who worship in them. And while for more than a century the beauty of its situation and the charm of its streets have been justly celebrated, yet it is within recent years that all this has been greatly enhanced by the Village Improvement Society, and by the enterprise and philanthropy of its citizens. But no stranger who walks beneath the venerable elms on its broad park-like streets, or looks upon its comfortable and stately homes, but feels that he is on historic ground, - and he is right, for there is scarcely a town of its size, even in New England, that can compare with it in memories of more than local interest. This is the home of the Wolcotts and Beechers. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
