Date :2007-10. This book describes how the teachers in the process of writing the students to be helpful intervention. In a traditional writing class. usually by teachers proposition. and then ask students to write around the proposition. followed by teachers marking essays. commenting on writing. In the so-called Process Writing. usually the students to write the first draft. and then by peers or teachers to comment. the last student to be modified according to the feedback. but this writing - change is just a way to provide vocabulary and provide some ideas on content. students are often the completion of the writing. they learned where their poorly written. Hence. throughout the process. the teacher s role. more precisely. pick the wrong child. not teach writing. For the students. after completing the first draft to get feedback too late. Teachers always want students to avoid writing the next one had already corrected the error. but this is often just wishful thinking. because the error will also appear in students future writing....
