Reviews

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Sasquatch Books, United States, 2014. Paperback. Book Condition: New. 188 x 140 mm. Language: English . Brand New Book. This is a follow-up journal to the highly successful *The First 1000 Days*. It contains beautiful papercut illustrations. It is suitable for both parent and child, with plenty of space for little ones to draw and write. This journal helps parents capture the precious, transformative years between aged two and six, where a child grows from a dependent toddler into a big kid going off to primary school and losing their first tooth. Nikki McClure's beautiful papercut illustrations divide the sections of the book by the year, and include prompts for writing about your child's most important moments and experiences. The journal is meant to be used by both parent and child with plenty of space for little ones to draw and write, further helping to bring these years to life and preserve them for all time.
