### ***Reviews***

*It is one of my personal favorite publications. It is actually really fascinating through reading through a period of time. It has been printed in an extremely basic way in fact it is just after I finished reading through this ebook by which basically transformed me, change the way in my opinion.*

Seventh Street Books. Paperback. Book Condition: New. Paperback. 270 pages. Dimensions: 8.1in. x 5.4in. x 1.0in. The battered body of an Afghan boy is found at the base of a cliff outside a remote village in Helmand Province, Afghanistan. Did he fall as most of the villagers think Or is this the work of American soldiers, as others want to believe Not far from the village, the US Army has set up a training outpost. Sofi, the boys illiterate young mother, is desperate to find the truth about her sons death. But extremists move in and offer to roust the infidels from the region, adding new pressures and restrictions for the small village and its women. We hear two sides of this story. One is Sofis. The other is that of US Army Special Ranger Joey Pearson, who is in this faraway place to escape a rough childhood and rigidly fundamentalist parents. In time, and defying all odds, Sofi secretly learns to read--with the help of Mita Samuelson, an American aid worker. Through reading, the Afghan woman develops her own interpretation of how to live the good life while discovering the identity of her sons murderer and the extremists real purpose in her village. As they search for answers, Sofi, Joey, and Mita come to the same realization: in each of their separate cultures the urge to preserve a way of life can lead to a fundamentalism that destroys a societys basic values. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
