

Ginger: Common Spice and Wonder Drug

By Paul Schulick

Hohm Press,U.S. Paperback. Book Condition: new. BRAND NEW, Ginger: Common Spice and Wonder Drug, Paul Schulick, For thousands of years ginger has been one of the world's most favored spices and a major ingredient in Oriental remedies. Yet, ginger's precious healing values are still virtually unknown and ignored in the modern world. This book proposes that your spice cabinet contains a healing substance that is beyond the therapeutic scope of any modern drug; a substance with the potential to save billions of dollars and countless lives. Author Paul Schulick calls ginger "the universal medicine". His book surveys the ancient claims of ginger's effective health usage as these are verified by international medical research. Supported by hundreds of scientific studies, this book leads the reader to discover the extraordinary personal and social benefits of using ginger. Among the medicinal uses of ginger that the author discusses are: daily energy tonic; cardiovascular protection; anti-ulcer remedy; arthritis treatment; digestive aid; natural therapy for colds and headache; relief of menstrual discomfort, nausea and parasites.

Reviews

A fresh e book with a new viewpoint. It is among the most awesome ebook we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Prof. Christelle Stark III

Unquestionably, this is the finest work by any publisher. I really could comprehend every little thing using this published e book. You will not sense monotony at anytime of your respective time (that's what catalogs are for regarding should you question me).
