Reviews

*It is one of my personal favorite publications. It is actually really fascinating through reading through a period of time. It has been printed in an extremely basic way in fact it is just after I finished reading through this ebook by which basically transformed me, change the way in my opinion.

KAREN ROBARDS COLLECTION 2

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. abridged edition. 180 x 130 mm. Language: English . Brand New. *Obsession* Katharine Lawrence has no idea what hit her. Only hours earlier she had been enjoying a girls-only weekend with an old college friend. Now she finds herself lying bound and gagged on her kitchen floor, staring with terrified eyes at her friend Lisa while two masked gunmen search her house. But Katharine's nightmare is just beginning. When she awakens in the hospital, her brain tells her that things aren't right. She doesn't recognize herself when she looks in the mirror. And the smiling, handsome doctor at her bedside Dr. Dan Howard is familiar, but in a totally unfamiliar way. She's twenty-nine, the special assistant to the head of the CIA, and she's lucky to be alive. She also knows she can trust no one. *Guilty* When Kat Kominski was fifteen years old, she and some friends held up a convenience store. One of the others shot and killed an off-duty cop moonlighting as a security guard. Kat and her pals fled the scene in a panic, and no one was caught. Thirteen years later, Kat now Kate White has built a new life for herself as a prosecutor in the Philadelphia DA's office. But her dark past returns to haunt her when she walks into court one day and has a devastating encounter with a prisoner, Mario Castellanos, one of her companions from that terrible night. As Mario blackmails and terrorizes her, she is forced to turn for protection to a sexy homicide detective, Tom Braga, who suspects her of something.
