AUTHORHOUSE, United States, 2005. Paperback. Book Condition: New. 223 x 147 mm. Language: English Brand New Book ***** Print on Demand *****.This Book Modern Cosmology and the Quran has, among other things, three main objectives, namely; (1) To prove the existence of God, the Creator of the whole Universe, (2) To confirm the Authenticity of the Quran, and (3) the need for religious harmony between Monotheistic Religions. The Quran has mentioned many signs in Nature which point to the existence of God and His Power. God insistently appeals to people to travel in the Earth and Heavens to seek and know His creative power, and to see how He has created every thing in the physical Universe accurately and with proportion, to look into Nature and examine the life forms and their activities, to contemplate upon the celestial bodies and the system that governs them, and to examine the scientific signs and allusions revealed in the Quran. The principal aim is to incite the human being to reflect on the works of the creation as evidence of the Great Creator of the Universe, and to ensure that the scientific phenomena revealed in the Quran fourteen centuries ago are perfectly in conformity with modern knowledge. When people perceive this, they come to know more deeply the beauty and splendour of the Creator's system and the infinitude of His Might. Regarding this fact, God says in the Quran: . Travel in the land and see how God originated the creation (Surah 29, verse 20). Verily, in the Heavens and the Earth are signs for those who believe (Surah 45, verse 3). It is the work of God Who perfected all things (Surah 3, verse 190). As we know that the Quran was revealed to Muhammad Who was an illiterate man, and...
