Reviews

A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.

(Prof. Llewellyn Thiel)

The general changes affecting vowels in English have been numerous and various in character. There have been, for example, changes in quality and quantity, and sometimes in both. Phonetic changes have also been different in the case of stressed and unstressed vowels, so that each of these must be considered separately. The phonetic changes in English which apply to large classes of words will be discussed in the following sections, the reference being to stressed syllables unless otherwise stated. Shortening And Lengthening 244. Long vowels have been frequently and regularly shortened in the history of English. For example, shortening occurred in Middle English before two or more...
